How to Participate in Virtual Meetings Using GoToWebinar

To help control the spread of the COVID-19 virus the Town of Fairplay will be conducting Town Board meetings both virtually and in person encouraging public participation as usual. These efforts will keep the community, elected officials, staff and residents safe while continuing to conduct important Town business

The Town will be using a virtual meeting format, in conjunction with the usual in person format, for the Town Board of Trustee meetings until further notice and will be utilizing GoToWebinar for the virtual component. To comply with State and County COVID-19 guidelines there will be a limited number of individuals allowed in the meeting room at one time. There will be additional overflow seating provided and **attendees will be asked to wear masks if attending in person**. The public may also participate virtually and the instructions below are provided to describe the various ways this can happen.

*****If you have any symptoms of COVID-19 or are feeling unwell, please attend our meetings virtually. If you are exhibiting symptoms you will be asked to leave the meeting room.*****

HELPFUL TIPS FOR A GOOD VIRTUAL MEETING EXPERIENCE:

- If joining through the web, log on 5 minutes before the start of the meeting, since some online products require downloads and installations
 - Please be aware when downloading GoToWebinar to ensure you are on the official website. Scammers have been setting up downloads which, at first glance, appear to be run by GoToWebinar, but in actuality are not and can give a virus to your computer.
- Turn off nearby cellphones if you are using a computer to connect.
- Using a headset or headphones is recommended if listening online.
- **Only** have the virtual meeting application on your computer. If you are running other programs like email or have additional websites open in your browser, it may interfere with your ability to hear or see the information. For best results close all other windows and applications.
- Please limit distractions when possible—i.e. background noise, conversations with others, etc. when you are unmuted.
- Video streaming is a relatively new technology so please be mindful of the following things when connecting via the internet.
 - If you have an older computer, you may be better served by calling in by telephone.
 - If your internet is not reliable consider calling in by telephone
