HELPFUL TIPS FOR A GOOD VIRTUAL MEETING EXPERIENCE:

- If joining through the web, log on 5 minutes before the start of the meeting, since some online products require downloads and installations
 - Please be aware when downloading GoToWebinar to ensure you are on the official website. Scammers have been setting up downloads which, at first glance, appear to be run by GoToWebinar, but in actuality are not and can give a virus to your computer.
- Turn off nearby cellphones if you are using a computer to connect.
- Using a headset or headphones is recommended if listening online.
- **Only** have the virtual meeting application on your computer. If you are running other programs like email or have additional websites open in your browser, it may interfere with your ability to hear or see the information. For best results close all other windows and applications.
- Please limit distractions when possible—i.e. background noise, conversations with others, etc. when you are unmuted.
- Video streaming is a relatively new technology so please be mindful of the following things when connecting via the internet.
 - If you have an older computer, you may be better served by calling in by telephone.
 - If your internet is not reliable consider calling in by telephone

Appointment of Trustee to Fill Vacant Seat on the Town Board – OATH OF OFFICE

Nate Fidler and Brian Lilly were both present to interview/apply for the Trustee position vacated by Cindy Bear. Both gentlemen were offered an opportunity to speak to the Board about why they wanted to be appointed as a Trustee. The Board then voted on paper ballots with the outcome of the vote as follows: Trustee Voorhis voted for Nate Fidler; Mayor Just voted for Brian Lilly; Trustee Dodge voted for Brian Lilly; and Trustee Stapp voted for Nate Fidler. As it was a tie vote the Board and applicants agreed to a coin flip to determine who would be appointed to the vacant seat. Peter Lynn, audience member, had a coin and performed the coin flip, which was won by Nate Fidler.

Mr. Fidler was sworn in by Mayor Just and took his seat at the dais.

The Mayor and Board thanked Mr. Lilly for applying and encouraged him to apply for a vacancy should one occur again or to run for the Board in the upcoming April 2022 election.

Should the Board Approve Adoption of Ordinance No. 2, series of 2021, entitled, "AN EMERGENCY ORDINANCE OF THE BOARD OF TRUSTEES FOR THE TOWN OF FAIRPLAY, COLORADO, VACATING A PORTION OF THE RIGHT OF WAY FOR 10TH STREET."?

Staff comment was offered by Town Administrator Darrah explaining that at the last regular meeting of the Board on February 1, 2021, the Board approved Ordinance No. 1, 2021, to vacate a portion of the 10th Street ROW – it included a five – foot wide easement reserved for the Town for future utilities if necessary. She explained that Ms. Woodbury was very much against that inclusion and that as it was not necessary, this emergency ordinance removes the section that included the easement and approves the vacation of a portion of the 10th Street ROW per the land exchange agreement with South Platte Partners, LLC/Amanda Woodbury that was approved in October of 2020. Ms. Darrah went on to remind the Board that Mayor Just worked with Ms. Woodbury to craft a deal exchanging the parcel she owns adjacent to Town Hall for the parcel the Town owns adjacent to the 10th Street ROW that abuts her property on the north side of Hwy. 9 across from the Town Hall and that this trade includes the Town vacating a portion of the 10th Street ROW on the north side of the road (Hwy. 9) and conveying that land to Ms. Woodbury.

She explained that this is presented as an emergency ordinance as the real state contract is set to close on March 17th at 2:00 p.m. She reminded the Board that the closing, the street vacation and the lot consolidation are all contingent upon each other being approved, meaning that if this ordinance is approved, it will not be effective until/unless the real estate transaction successfully happens.

Motion #3 by Trustee Voorhis, seconded by Trustee Stapp, that the Board Approve Adoption of Ordinance No. 2, series of 2021, entitled, "**AN EMERGENCY ORDINANCE OF THE BOARD OF TRUSTEES FOR THE TOWN OF FAIRPLAY, COLORADO, VACATING A PORTION OF THE RIGHT OF WAY FOR 10TH STREET.**" A roll call vote was taken: Stapp – yes, Dodge – yes, Just – yes, Voorhis – yes, Fidler – yes. Motion carried unanimously.

Presentation/Discussion Regarding Proposal from Peter Lynn for a Community Garden

Peter Lynn offered a presentation to the Board regarding a community garden in Fairplay. He requested permission to create a community garden in the Town. He explained that he and his fellow collaborators are in the beginning stages of planning the garden but wanted to make sure that the Town was on board before pursuing the project further. He stated that he did not have a piece of land committed for the project yet, but that he had several ideas and had also been in contact with the CSU Extension office in Fairplay for possible locations and collaboration. He explained that they were they would need financial assistance as they further developed their plans and eventually a site. A discussion ensued during which the Board expressed their desire to see the project move forward. Mayor Just offered a \$500 cash and \$500 in kind donation from his personal business for the project.

It was agreed that staff would work with the group to help create a plan for funding, land, etc. and report back to the Board as appropriate.

Should the Board Approve Adoption of Resolution No. 4, series of 2021, entitled, "A RESOLUTION OF THE BOARD OF TRUSTEES FOR THE TOWN OF FAIRPLAY, COLORADO AUTHORIZING THE EXECUTION OF A PROPERTY IMPROVEMENT

INCENTIVE PROGRAM (PIIP) AGREEMENT BETWEEN THE TOWN AND PAT STOINSKI FOR THE 1150 CASTELLO PAVING AND LANDSCAPE PROJECT.”?

Staff comment was offered by Town Administrator Darrah explaining that this application is for \$3,239 towards the paving and landscaping of the property located at 1150 Castello Avenue AKA The Business Connection. This is the amount the property owner has paid in property taxes to the Town of Fairplay over the last five years. She further noted that the application, bid and photos were included in the packet for the Board to reference. Property owner Pat Stoinski was present virtually.

Motion #4 by Trustee Dodge, seconded by Trustee Stapp, that the Board Approve Adoption of Resolution No. 4, series of 2021, entitled, “**A RESOLUTION OF THE BOARD OF TRUSTEES FOR THE TOWN OF FAIRPLAY, COLORADO AUTHORIZING THE EXECUTION OF A PROPERTY IMPROVEMENT INCENTIVE PROGRAM (PIIP) AGREEMENT BETWEEN THE TOWN AND PAT STOINSKI FOR THE 1150 CASTELLO PAVING AND LANDSCAPE PROJECT.**” A roll call vote was taken: Stapp – yes, Dodge – yes, Just – yes, Voorhis – yes, Fidler – yes. Motion carried unanimously.

Update/Discussion Regarding 2021 Special Events

Staff presentation was offered by Special Events Coordinator Bullock who went through her memo with the Board regarding special events in Fairplay this summer, but most specifically discussing Burro Days, that being the largest annual event in Fairplay. Ms. Bullock outlined to the Board how the Town can host Burro Days within the current COVID-19 guidelines but stressed that the guidelines are very likely to change prior to the event. A lengthy discussion took place about the guidelines and the plan put forth by Ms. Bullock for Burro Days.

It was agreed that the Town should move forward with planning for Burro Days within the COVID guidelines, while being prepared to expand/retract the event based on the potential for changes to the guidelines prior to the event.

It was further agreed that a larger discussion surrounding special events, including a discussion about an additional event in June as suggested by Mayor Just, be had during a work session as soon as possible.

Discussion Regarding Town Administrator and Town Clerk Positions

Ms. Darrah stated that on March 8th the Board met with Town Attorney Wisor and Town Administrator Darrah and were informed that Ms. Darrah would like to step down as Town Administrator but continue to work for the Town as the Town Clerk in a part-time capacity. It was noted that the reason for this change was due to Ms. Darrah’s purchase of a local business requiring much more of her time that initially anticipated. It was further noted that Ms. Darrah would remain in the position of Town Administrator and Town Clerk until a new Town Administrator is hired. Because this was initially discussed in a special meeting, it was agreed that there should be a more formal announcement at a regularly scheduled board meeting with a corresponding motion reflecting the action being taken.

Motion #5 by Trustee Voorhis, seconded by Trustee Stapp, to accept the resignation of Tina Darrah as Town Administrator upon successfully hiring a new Town Administrator. At such time Ms. Darrah will continue to work for the Town in the position of part-time Town Clerk. A roll call vote was taken: Stapp – yes, Dodge – yes, Just – yes, Voorhis – yes, Fidler – yes. Motion carried unanimously.

Other New Business

None offered.

BOARD OF TRUSTEE AND STAFF REPORTS

Public Works Director/Asst. Town Administrator Green offered a brief staff report primarily discussing the need for a new truck in the public works department. The Board agreed that Mr. Green should begin the process of purchasing a truck from reserve funds in the Internal Service Fund.

Police Chief Bo Schlusen offered a brief staff comment noting that it has been slow so far this year. A brief discussion took place about the uptick in automobile thefts nationwide.

Trustee Dodge informed the Board that he would be attending a CDOT meeting on March 29th and that he had spoken to Commissioner Elsner about the need for improvements to the 7th Street crosswalk. Mayor Just noted that he had heard that CDOT has appropriated funds for improvements to this intersection for pedestrian safety.

Trustee Voorhis brought up the likelihood that Park County/Fairplay would be placed under a fire ban this summer. He wondered if the Town had to abide by the fire ban or if there is a way the Town could be exempted – at least to allow outdoor grills to be used within the Town limits. A brief discussion ensued about the need for a conversation with the Sheriff if a fire ban is put in place.

Mayor Just offered a brief comment about CDOT and the survey work they are doing in Town to prepare for making the Main Street sidewalks ADA compliant. He also thanked Brain Lilly again for his application to serve on the Town Board and encouraged him to stay involved with the Town.

ADJOURNMENT

Mayor Just, noting that there being no further regular business before the Board, declared that the regular meeting be adjourned at 7:56 p.m.

The construction or installation of the improvements shall commence no later than September 1, 2021, and shall be completed no later than December 31, 2021. Should the work not commence or not be completed by the dates specified above this PIIP Agreement shall terminate and be of no further force or effect and the Town shall have no further obligations hereunder.

6. **Maintenance of improvements.** Owner shall maintain the improvements in good condition and repair for a period of five years from and after the date of completion. Should Owner not perform this maintenance obligation Owner shall, upon written demand from the Town, refund to the Town all monies rebated to the Owner by the Town pursuant to this PIIP Agreement.

MEMORANDUM

TO: Mayor and Board of Trustees

FROM: Mason Green, Assistant Town Administrator

RE: Resolution Approving PIIP Agreement Jennifer Boley

DATE: April 5, 2021

Agenda Item: Resolution for PIIP Agreement

This resolution approves an agreement with Jennifer Boley for the 730 Main Street Window Replacement Project. Staff has reviewed this application and found it in compliance with the PIIP rules and regulations.

This application is for \$3,526.00 to replace four windows at 730 Main Street. The property taxes paid for this property over the last five years is \$3,831.9600. The estimate for the work is \$7,052.13. You have \$15,442 in your PIIP line item for 2021.

Staff's only concern is that one of the windows will be replaced with a quick-serve window. While this will improve the aesthetics of the window, it may not fit the spirit of the PIIP. Other than this issue, staff recommends approval.

Approval of this resolution will require a motion, second and a roll call vote.

RE: Loan Payoff

DATE: 3/30/2021

Agenda Item: Payoff Land Loan

Attached is a payoff statement for the land we purchased in 2016. This purchase was the final piece of land we needed to begin planning the Riverpark Project. We used all our vehicles and equipment at the time to secure the loan.

Our high general fund balance would allow us to payoff this loan and in return, release all the vehicles and equipment. Some of our vehicles and equipment are getting old and it would be good to be able to sell the ones we don't need.

The payoff amount is \$132,352.77. We budgeted for \$25,990.00 in payments in 2021. The extra amount from fund balance we would be using is \$106,362.77. The scheduled payoff is 7/15/2026. We would be saving \$11,465.29 in interest between now and the payoff date.

Staff recommends approval to payoff this loan. This will require a motion, a second and a voice vote.

Please contact me with any questions.

RE: Discussion/Direction Regarding Request from Off-the-Grid Food Truck for Sub-Lease of Space in Parking Lot at Corner of 4th and Main Streets

DATE: April 1, 2021

Mike and Peggy Leczel of Off the Grid Food Trailer have requested permission to use the lot at 401 Main Street again this year for their food trailer. For the last three summers, they have sub-leased it from the Town for the months of May-September. They have requested the same time frame at the same rate as last year, May-September for \$500 per month.

Staff is looking for direction from the Board as to whether you would like to sub-lease space in the parking lot at 401 Main to the Leczel's again this year. If the Board chooses to do this, staff will bring back the necessary paperwork for approval on your next agenda.

RE: Discussion/Approval of Purchase of New Ford F-250

DATE: April 5, 2020

At the March 15th Board Meeting I mentioned in my staff report that the Public Works Department would be approaching the Board to seek approval for the purchase of another Ford F-250 in 2021. The Public Works Department is dedicated to keeping an orderly fleet of vehicles in good repair, and this purchase will allow for each Public Works Crew Member to have a dependable vehicle that will be kept in top condition.

This request is to use unbudgeted monies for the purchase of this vehicle. I am more than happy to answer any questions you may have.

The cost to purchase this vehicle will be \$33,236.

Approval will require a motion, second and roll call vote.

RE: Staff Report

DATE: April 5, 2020

Public Works Update:

I am happy to report that the testing of the infiltration gallery went very well last week. I have included with this staff report some data analysis that Bill Hahn, the Town's Water Engineer, has put together to showcase the results of the test. In short, the test provided encouraging results that exceeded Bill's and staff's expectations. I would like to request a work session with the Board of Trustees prior to the April 19th meeting so that we can discuss this topic more in-depth and determine next steps.

Events Update:

We are excited to say that we expect very few limitations, if any at all, to be placed on outdoor events in Park County this summer. With the Statewide Mask Mandate ending on April 4th, and with Counties now setting COVID restrictions, we expect that our events will be much closer to "normal" than we initially thought. For example, Burro Days will be able to operate without some of the challenges that were presented to you at the March 16th Meeting such as fencing, limiting capacity, contact tracing and more. If Park County does choose to restrict certain aspects of outdoor events, we plan to apply for a variance from them as soon as we are able.

This is also good news for the rest of our planned 2021 Summer Events! In June, as you well know, we will be hosting a make-up for our missed Mardi Gras event! Bratty-Gras is still in the planning stages but will serve as our “out-of-covid” celebration and will be held June 25th or 26th. The Independence Day Celebration on July 4th will be much more like our usual event and include a parade, 5K Race, concert and fireworks! Burro Days, as always, will be held the last full weekend in July (23-25) and we are happy to say that both the Rock and Gem Show and Bayou Salado groups will be in Fairplay that weekend as well! To end our 2021 Summer Event Series, we will be holding a concert in August on the 27th. We look forward to bringing our events and event schedule back to full strength in 2022! Staff will keep you updated on both Town and non-Town events.

Subject: gallery testing updated figures
Attachments: Fairplay gallery testing.pdf

Mason,

I've updated the figures through 0640 this morning. I've also changed the format a bit in the hope of making things a little more understandable. Let me know if you need anything else in preparation for your Monday meeting.

As of this morning, water levels look to have stabilized, or perhaps recovered a bit. We are pumping about 42 gpm with an average of about 1.4 feet of drawdown. Accordingly, our "specific capacity" =

$42 \text{ gpm} / 1.5 \text{ feet drawdown} = 42 / 1.5 = \text{about } 30 \text{ gpm/ft}$. While this relationship will not be linear over the full range of pumping water levels. It should remain fairly linear through several feet of drawdown.

If I assume that I can draw the water level down to say 12 feet from the static level of 8 feet I am drawing the level down $12 - 8 = 4$ feet.

Using the relationship above (for specific capacity) we can project the following:

$30 \text{ gpm/ft drawdown} \times 4 \text{ ft drawdown} = 120 \text{ gpm}$.

Assuming conditions existing at the time of our testing (e.g. static water level 8 feet), the gallery should have no difficulty in producing 120 gpm. I recommend we do more aggressive testing down the road during which we test the gallery beginning at rates of 120 gpm up to rates of several hundred gallons per minute,

Thank you,

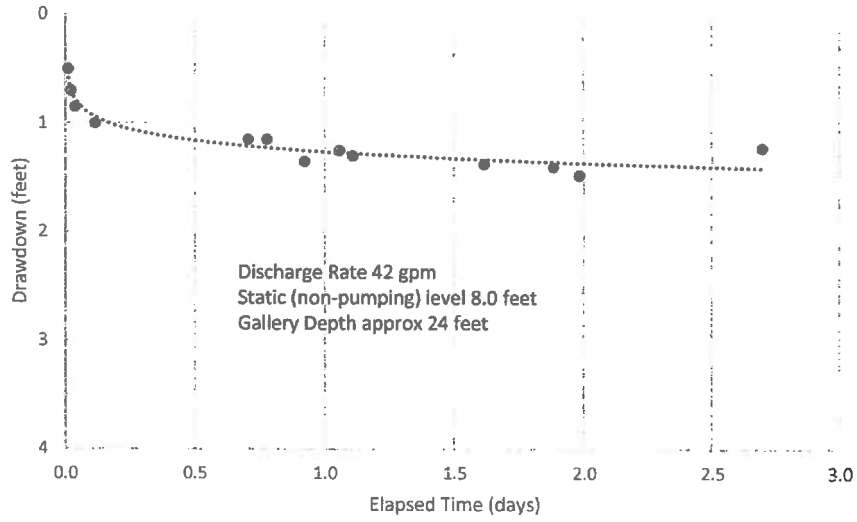

Bill
